## TAFT SLATED FOR SUPREME BENCH

DESIRE TO SUCCEED CHIEF JUSTICE FULLER WHO MAY ACCEPT PLACE IN ARBITRATION COURT.

WASHINGTON, June 15.—Secretary of War Taft will not be a candidate for the Presidency. This has been settled within the last three days. Judge Taft desires to succeed Justice Fuller on the Supreme Bench. He would rather be Chief Justice of the United States than the highest position any man in the world can hold—than to be President for four years.

Although disinclined to resign because of the age limit, Justice Fuller nevertheless will be given an opportunity to resign to accept the position on the International Court of Arbitration as soon as Germany and Japan will agree to the terms which have been accepted by France, England and the United States. This court will have its judicial seat at the Hague, but will hold sessions in important capitals of the world when necessary.

From present appearances it seems that Judge Taft and Senator Foraker of Ohio have a political understanding. Ohio will support Foraker for the Presidency; all who support Foraker will be for Taft for Chief Justice, and Foraker is to be the spokesman of the Administration on the floor of the Senate.

As soon as Japan shall gather itself together for peaceful government it will name its member of the International Arbitration Court of the World, Germany will follow.

Justice Fuller will then be appointed and give way to Judge Taft. This is expected to occur by December 1st.

## CHINA MADE A FAST TRIP

ARRIVED AHEAD OF ALAMEDA FROM SAN FRANCISCO—SAILS FOR ORIENT THIS AFTERNOON.

The S. S. China arrived off the port this morning about 5 o'clock from San Francisco after an uneventful passage. She beat the S. S. Alameda but the local boat appeared at the usual time around Diamond Head with four days later mail. Both boats sailed from San Francisco on June 17, the Alameda in the forenoon and the China in the afternoon. Captain Friele of the China stirred things up a bit and gave the propeller of the China a couple of extra revolutions a minute and passed the other vessel.

The China had a small crowd of people for Honolulu and also has a small list of through passengers. Among the people who stopped at Honolulu was Secretary A. L. C. Atkinson who returned from an extended absence on the mainland, in the interests of the Territory.

Alisa Scott and Irving Scott of San Francisco arrived for a vacation.

A. H. Rice and wife of Kauai returned.

Mrs. F. Klamp was a returning passenger.

Lieutenant Colonel E. Agar is a British army officer who is going to Yokohama.

A number of Japanese are returning to Yokohama from business trips abroad.

W. D. Haywood the Planter's representative at Washington, is going through to Hong Kong, with his family. They will stop over at Honolulu for a brief visit.

Miss Jackie Brock was going to Manila to be married but just as the China dropped the pilot at San Francisco Miss Brock received a cablegram stating that her fiancé had sailed from Manila by the S. S. Coptic for home. She therefore decided to discontinue her voyage at Honolulu and return to San Francisco by the Alameda on Wednesday.

The China's time to port was 5 days 16 hours. She is loading 530 tons of coal at the Channel wharf and will sail for the Orient and Manila at 5 p. m. today.

## CLAUS SPRECKELS RETURNS TO RESIDE

ACCOMPANIED BY MRS. SPRECKELS AND SERVANTS, THE SUGAR BARON ARRIVED TODAY.

Claus Spreckels and wife attended by a retinue of four servants arrived today by the S. S. Alameda to reside indefinitely in Honolulu. His recent visit to Honolulu proved of such benefit to his health that he decided to return to live here. They will reopen the Spreckels house on Pnnhou street. Mr. and Mrs. Spreckels were met at the regular wharf by Mr. and Mrs. W. G. Irwin and driven to the Irwin residence.

## Prosecution Useless In This Case

POSTMASTER AT THE LEPER SETTLEMENT IS GUILTY OF EMBEZZLEMENT BUT IT IS DEEMED INADVISABLE TO PROSECUTE HIM—DOLE'S COURT WOULD HAVE TO SIT AT KALAUPAPA AND JAIL WOULD NOT RECEIVE THE DEFENDANT.

United States District Attorney Breckons has discovered a case in which he finds himself compelled to wink at a serious violation of a federal law. It is nothing less than embezzlement from a post office, and yet the district attorney has made no effort to arrest the guilty party or to have him indicted. The reason for this strange inactivity is that the offender was postmaster at the leper settlement and is a leper. Breckons will drop the case, unless the Department of Justice orders a prosecution. The postmaster is alleged to have stolen a package which was addressed

to a woman who is at the settlement, from Honolulu. He is a leper and the woman is a leper in the last stages of the disease. All the witnesses are lepers. The only way to try the case would be to hold a session of the United States court at Kalaupapa, but even if this should be done the question of what to do with the defendant after conviction is one for which there is no solution. The Territorial jail would certainly not receive him and that is the only one at the disposal of the United States. After a careful investigation of the case Breckons has decided that the man is guilty all right but that it is best not to prosecute.

That Civic Federation campaign fund did not go as far as many had expected. In fact there are a number of the workers who are hanging about the deserted headquarters and interviewing various members of the organization looking for their pay. A number of the workers were promised sums from a dollar upward but the money has not been produced. Promises are beginning to look smaller now as the days fly past and the money is not produced.

## ATKINSON IS HOME ONCE MORE

SECRETARY OF THE TERRITORY HAS ARRANGED FOR REFUNDING TERRITORIAL BONDS.

A. L. C. Atkinson, Secretary of the Territory, who returned from Washington on the China this morning, was kept busy shaking hands and telling people that he was quite well for the greater part of the day and his appearance justified his story as to the conditions of his health. On most other matters he was dumb.

Of course the question of the governorship was the one which was propounded to him on every side but he had no information to impart.

"I have not yet seen the Governor," he replied to all enquiries "so that I do not know anything about the matter at all."

There were certain legal matters surrounding the refunding of the bonds," he replied when asked as to the success of his mission in regard to them "and at one time, shortly before I left Washington in fact, it looked as though there might be some hitch in the arrangements I was seeking to conclude. The law states that bonds for territorial improvements must be approved by the President but of course the old bonds which we wished refunded are of a different class. However I was able to get over that difficulty but the deal had not been finally wound up when I had to leave for home. I expected a wire in San Francisco saying that the president's signature had been attached but it may have missed me there. Once the President approves the bonds can be sold at an advantageous price. I have arranged for that so that on the whole I consider that the trip will prove a success."

## HOCH SCION OF A NOTED FAMILY

CONDEMNED BLUEBEARD SAYS HE IS A GREAT GRANDSON OF THE FAMOUS MARSHAL NEY.

CHICAGO, June 12.—Johann Hoch, who is to die on the gallows on June 23d for the murder of Mrs. Mary Walker Hoch, is a great-grandson of Marshal Ney, who went to St. Helena with Napoleon, and the scion of a prominent family in Strassburg. Two of his brothers are ministers at Strassburg. His father, also a minister, retired at the age of 82, lives in Toulon, ignorant of the plight of his son.

For the first time the condemned man has broken the silence he has steadfastly maintained since his arrest. Standing behind the bars of his cell, he talked volubly of himself and sparingly of his people.

"For the sake of my own family in the old country I have refused to go on the stand in my own defense," he said. "My father is an honorable one in Alsace. I was born in Strassburg. It was a French city then. My father's people are Alsations. My mother's people are French. I am a great-grandson of Marshal Ney, of him who went to St. Helena with Napoleon. My father was a minister in Strassburg. My brothers, both of them ministers, are in Strassburg. I was educated for the ministry, but I was something of a free thinker and I could not say that I believed in dogmas in which I did not. I am not guilty of this crime with which I am charged."
